

# **IT'S OVER**

**Well, I'm alone in a nameless town  
Lost and never found  
I'm under the sky  
With thunder and rain  
And tears in my eyes**

**I try to find out why  
She said "Good Bye"  
Was it loneliness  
Or just the will to survive  
Oh babe ...**

**Don't you know that I'm trying – deep inside  
Don't you know that I've tried**

**Now I'm alone in the candlelight  
Until the day has dawned  
I'm feeling alone  
But I still get these memories  
In my mind**

**There ain't no doubt about it  
Our love was true  
And now it's all said and done  
It's a long long way  
Back to my own**

**Don't you know that I'm trying – deep inside  
Don't you know that I've tried**
